

## COUNTY SHERIFF'S OFFICE

### Neighborhood Watch Meeting – District 2

1/27/2016

## Crime Prevention Through Environmental Design Principles

### Natural Surveillance/Maintenance/Territorial Reinforcement:

- Trees trimmed up 6 feet for natural surveillance
- Bushes trimmed down to 3 feet for natural surveillance
- Debris removed from yard
- Clear indication of entry and exit points
- Clear indication of property line
- Signs for security alarms
- Danger areas or blind spots on property
- Vehicle placement-REMOVE all valuables-conceal garage door opener

### Lighting:

- Sufficient exterior lighting
- Sufficient doorway lighting
- Sufficient street lighting
- Lighting type sufficient

### Doors and Locks:

- Solid core exterior doors
- Presence of glass around or in front door
- Single or double cylinder lock on front door
- Secondary lock mechanism present at front door
- Screws at least three inches long for all deadbolts in home
- Single or double cylinder lock on other exterior doors
- Glass sliding door reinforcement

## Personal Safety

- ✓ If possible, don't walk alone during late-night hours.
- ✓ Let a family member or friends know your destination and your estimated time of arrival or return.
- ✓ Stay in well-lit areas as much as possible.
- ✓ Walk on the sidewalk whenever possible.
- ✓ If you have to walk in the street, walk facing traffic.
- ✓ Walk confidently, directly, and at a steady pace. Don't stop to talk to strangers.
- ✓ Wear clothing and shoes that give you freedom of movement. Don't burden yourself with too many packages or items.
- ✓ Always be aware of your surroundings.
- ✓ Never hitchhike or accept rides from strangers.
- ✓ Avoid carrying large sums of cash, or displaying expensive jewelry in public.
